

Castle Kitchen

KITCHEN FIRE SAFETY

Directions: Match the safety rules with the objects in the Castle Kitchen picture. Write the correct numbers in the shaded circles.

Don't "fork"-get your kitchen safety rules too "spoon".

Safety Rules

1. Adults should put out grease fires with a **pan lid**.
2. Keep a **fire extinguisher** in the kitchen.
3. Turn **pan handles** inward on the stove.
4. Always have an **adult** help you with the microwave.

Fun Fact: To celebrate holidays in the Middle Ages, a big feast was held in the castle. The cooks spent a long time making food and the music and entertainment was provided.
