

THE
COME-BACK-A-LOT
HOTEL

Fun Fact: There were not many hotels in the Middle Ages. Very few people ever traveled more than 10 miles from where they were born.

Make sure your room has a working smoke alarm.

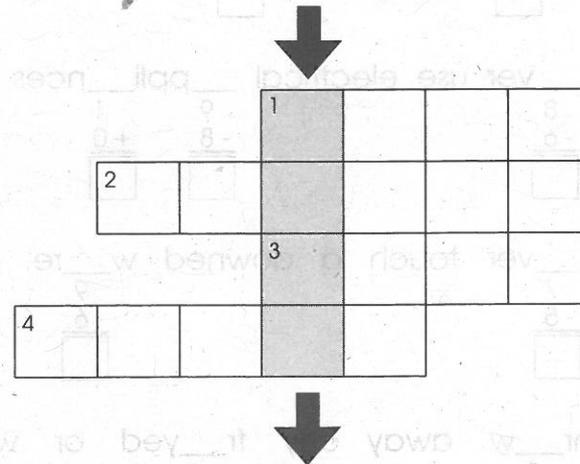

When you spend the "knight" away from home, be sure to know the safety rules!

Word Bank
fire, stairs
exits, Safe

HOTEL AND MOTEL SAFETY

Directions: Use the Word Bank in the suitcase to complete the four sentences and the puzzle below. Then write the letters from the puzzle in the blanks at the bottom of the page. They will spell a special word in the safety message.

1. In case of _____, stay safe by getting out quickly.
2. Always use the _____, never use the elevator in a fire.
3. Decide on a _____ Meeting Place.
4. Find the two _____ nearest to your room.

"In case of fire, get out _____ and go to
your Safe Meeting Place."
