

RESIDENTIAL RECYCLING INFORMATION

Collection of Recyclables

Residential Recycling is provided to all single-family, duplex, three unit and four-unit residential units as long as the dwelling does not receive trash collection from a dumpster or other common collection container.

- v Collection of recyclables is the same day as your trash collection day. Trash and recyclable collection service is provided to each residential household. A household unit is defined as a single-family dwelling or each unit in a multiple dwelling up to a four-unit dwelling as long as the dwelling does not receive trash collection from a dumpster.
- v Be sure items placed in the recycling bin/s are recyclable. Non-recyclable items cannot be accepted for collection. If non-recyclable items are placed in the recycling bin, a full bin will be left for removal of the non-recyclable items by the owner and will be collected by Dodd's the following week. If you are unsure why the items in your bin were not collected, please call Dodd's Recycling at 791-9195.
- v All recyclable items **must** be placed in the recycling bin except for corrugated cardboard items which **must** be flattened and placed **under** the recycling bin.
- v Always remove all remaining product residue from glass, plastic or metal containers by rinsing them out with water. This will keep your recycling bin clean and eliminate odors.
- v Crush or flatten plastic, tin & aluminum containers to conserve space in your recycling bin. You do not need to remove the labels.
- v Paper board items such as cereal, cracker, cake, cookie, tissue, and gift boxes **must be flattened** and may be placed in the recycling bin.
- v All paper, newspapers (including inserts), magazines, junk mail, envelopes with plastic windows, school paper, white and colored writing paper, computer paper, phone books, catalogs, brown paper bags, and feed & pet food bags (if string is removed) is accepted.
- v Plastic bags are **NOT** recyclable. Please do not use plastic bags to separate recyclables. Wal-Mart, Hy-Vee, and Fareway all have a bin for plastic bag recycling.

Residential Household Hazardous Wastes

Residential household hazardous waste may be taken to the Newton Sanitary Landfill from April 1st—October 31st. Residents are encouraged to call the landfill at 641-792-3866 to make an appointment.

If you have any questions regarding trash or recycling collection in the City of Newton, please call City of Newton Public Works at 792-6622, extension 20, or the Newton Sanitary Landfill at 792-3866.

The landfill hours are Monday—Friday 7:30 am to 3:15 pm. And Saturdays 8:00 am to 11:45 am April 1st thru October 31st. The landfill is open the first Saturday of each month November 1st thru March 31st

RESIDENTIAL TRASH COLLECTION INFORMATION

Recycling and Trash Collection Fee is \$12.00 per month and is included in your water bill.

Includes collection of trash and recyclables to each residential household once per week.

Collection of one 35-gallon (up to 65 lbs) container of trash and recycling bin/s for each residential household each week.

TRASH COLLECTION GUIDELINES

Residential Curbside Trash Collection is provided to all single-family, duplex, three unit and four-unit residential units as long as the dwelling does not receive trash collection from a dumpster or other common collection container.

- v One 35 gallon (up to 65 lbs) container of trash will be collected each week from each residential premises. Your trash container is larger than 35-gallons, only the equivalent of 35 gallons (65 lbs) will be picked up.
- v A tag must be purchased for all trash in excess of 35 gallons per week. Tags can be purchased at Fareway Grocery Store, HyVee Grocery Store, Farver True-Value, for \$2.00 per tag plus sales tax in quantities of five (5).
- v Tag must be attached to a trash bag and placed at the curb or placed inside a trash container so that the tag is visible. Since a tag is used only once, it shall not be attached to the trash container or lid.
- v Trash shall not be placed at the curb prior to 6 pm on the day prior to regularly scheduled trash collection and not later than 6 am or sunrise (whichever is earlier) on your collection day. The container shall be promptly removed from the curb following collection.

LEAVES AND YARD WASTE

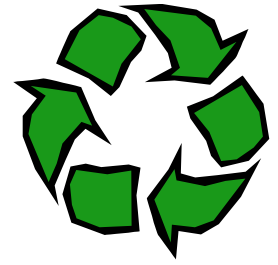

- v Leaves, Small Twigs (less than ¼"), Yard Waste, Weeds, and Hedge Trimmings are picked up at the curb at no charge, if in the Newton City Logo Leaf Bags and placed at the curb by 6 am on your normal trash collection day. Newton City Logo Leaf Bags will be collected weekly from March 25 through December 7. Leaf bags can be purchased at HyVee Grocery Store, Fareway Grocery Store, Farver True Value, for \$10.00 (\$1.00 each) plus tax in quantities of ten.
- v Newton residents may dispose of leaves, small twigs less than one-quarter inch in diameter, hedge trimmings, garden waste and weeds at the Newton Sanitary Landfill in any container year-round free of charge. If the leaves are not in the Newton City Logo Leaf Bags, residents will be asked to empty their own containers. All loads must be secured. The landfill hours are Monday-Friday 7:30 am to 3:15 pm and Saturday 8:00 am to 11:45 am April 1 through October 31. The landfill is closed on Saturdays November 1 through March 31.
- v Grass clippings can **NOT** be put in the Newton Logo Leaf Bags and will **NOT** be picked up as part of weekly trash collection.
