

SHINGLE RECYCLING

Recycling Guidelines

CLEAN & ACCEPTED

Clean asphalt shingles CAN INCLUDE:

NAILS & FELT/TAR PAPER

Accepted clean asphalt shingles can include a minimal amount of items from the unaccepted list below.

DO-IT-YOURSELF

You can sort shingles after unloading them. Containers are provided to separate scrap metal and trash from the shingles.

UNACCEPTED (Large Amounts of these Items)

- » Wood, pallets
- » Woodshake shingles
- » Metal: *flashing, gutters, plumbing stacks*
- » Plastic or vinyl: *vents, gutters, buckets, plastic packaging*
- » Paper waste
- » Mastic or plastic roofing cement
- » Rolled roofing materials (excess felt)
- » Other garbage, trash or dirt
- » Nail coils
